Verbal/written consent Form for Participants

Version 1.2 (10/08/22) IRAS project ID: 311086

Chief investigator: Dr Michael Perkin

Title of study:

A randomised controlled feasibility trial to determine whether families are willing to change baby bathing practice during the first months of life (BabyBathe WP-3)

Instructions for researcher: Please ask each participant to initial each box and sign and date the form, as well as signing yourself.

Participant to Initial box

1.	I confirm that I have read and understood the information sheet (Version x.x dated xx/xx/xx) for the above study. I have had the opportunity to ask questions and they have been answered satisfactorily.	
2.	I understand that my participation and that of my child is voluntary and that I am free to withdraw at any time, without giving any reason and without mine or their medical care or legal rights being affected.	
3.	I understand that relevant sections of mine and my child's medical notes and personal data may be looked at by authorised individuals from St George's University of London, St George's University Hospitals NHS Foundation Trust or from regulatory authorities where it is relevant to my taking part in the BabyBathe study. I give permission for these individuals to have access to my records.	
4.	I understand that the study team will keep my personal details to contact me and my child to find out how we are. I give my permission for this information to be securely kept and for these individuals to contact me.	
5.	I agree to my midwife, health visitor, GP and/or any relevant clinician treating my child being informed of our participation in this study and my GP being contacted or GP records being accessed if the study team are unable to contact me to check my contact details and my child's health status.	
6.	I agree to my child and myself taking part in the above study.
